Harness your Rites

How to refit your gennaker with pads for a Backtail line

1.  
The length of your Deckchute minus 0,3m.

2. and 3.  
Same length.

A. Tack corner  
B. Lower pad  
C. Upper pad

Pad (B) and (C) is placed on the gennakers centerline.

Your local sailmaker will adapt your gennaker to Deckchute sailing.
